The Chief Secretary to the Government of
H.H. the Maharaja of Mysore, Bangalore.

Sir,

I am directed to invite reference to paragraph 5 of G.O.No.E.A.2093-172-E.A.14-21-7 dated 28th November 1921 issuing supplementary instructions for regulating the filling up of vacancies in the ministerial ranks of superior service in the State. This paragraph provides that in ~~xxxxxx~~ calculating the proportion of vacancies to be filled up by direct recruitment all appointments falling within the powers of a single sanctioning officer shall be taken into account. It has, however, been brought to notice that appointments falling within the powers of a single appointing officer may fall under more than one category; for example, executive appointments such as Police and Excise Inspectors and clerks and accountants of Police and Excise Offices. Though the G.O. above referred to applies mainly to the ministerial ranks, the paragraph in question embodies a general principle which will be applied in respect of all branches of service. The advisability of making it clear that for the purpose of calculating the proportions referred to in that paragraph, each independent cadre of executive officers or of ministerial officers should form a distinct unit, was discussed at the meeting of the Central Recruitment Board held on the 2nd August 1922 and it was resolved that the proportion of vacancies to be filled up by direct recruitment for each such cadre should be separately arrived at and that similarly each such cadre should be separately considered in calculating the

prescribed minimum proportion of candidates of backward communities of each grade of the public service under ~~the~~ G.O.No.1827-80-E.A.G.308 dated 16th May 1921 passing orders on the Miller Committee Report.

B

I am therefore to request that the approval of Government may kindly be obtained for the above proposals and necessary orders issued in the matter.

I have the honour to be,

Sir,

Your most obedient servant,

Secretary,
Central Recruitment Board.
